2018 FORD TRANSIT MOTORHOME BUYER'S GUIDE

LOOKING FOR YOUR NEXT ADVENTURE VEHICLE? LOOK NO FURTHER THAN A TRANSIT RV.

PEACE OF MIND WITH OUR EXTENSIVE SERVICE NETWORK

- 24-hour support always available to you through our Customer Assistance Center (see more details on back cover)
- 5-year/60,000-mile Roadside Assistance

THE ULTIMATE CO-PILOT

As a Transit driver, you'll enjoy its easy maneuverability, driving dynamics, a commanding view of the road, with convenient features that include rain-sensing windshield wipers, a standard rear view camera and standard side wind stabilization to help you handle sudden strong wind gusts*. There are even technologies that can help you stay in your lane, recognize when you may be tired, and more. Make the most of every trip in Transit. It's time for you to enjoy the ride.

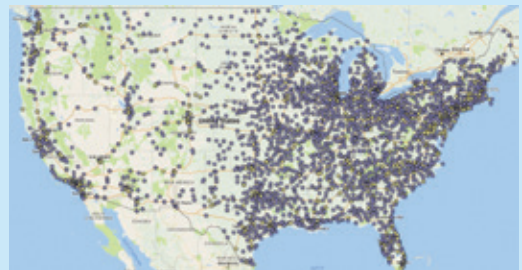

*Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

BUILT FORD TOUGH®

Built and tested to Built Ford Tough Standards, Transit has been subjected to seven million customer-equivalent miles of brutal testing in our labs, proving grounds, on roads and highways across America, at temperature extremes from -40 to 120 degrees fahrenheit. We used trucks driven by robots at the Michigan Proving Grounds facility to conduct tests that are too strenuous for human drivers over an extended period of time, enabling us to compress years of daily abuse into a mere few months. All of which means you can buy with confidence, knowing your Transit RV is backed by our tough vehicle testing standards.

SAFETY TAKES PRIORITY

- AdvanceTrac® with RSC® (Roll Stability Control™)
- 4-Wheel Anti-Lock Disc Brakes
- Front Airbags, Side Thorax Airbags, Safety Canopy®

Our service network of over 680 Commercial Vehicle Centers plus 3,000+ Ford Dealers stretches from coast to coast.

WHY YOU SHOULD CONSIDER TRANSIT FOR YOUR NEXT MOTORHOME.

INTEGRATE SEAMLESSLY WITH YOUR LIFE...

In addition to all the voice-activated benefits of SYNC® 3^{1,2} - placing and answering calls, and controlling music from your devices - you'll love the easy-to-use interface of SYNC 3.^{1,2} A 6.5" color LCD screen¹ displays phone, audio and navigation¹ features. Enhanced voice recognition lets you give simple commands. A capacitive touchscreen includes a convenient swipe feature, as well as pinch-to-zoom functionality within navigation.¹ SYNC 3 also brings you the options of Apple CarPlay™³ and Android Auto™ compatibility.⁴

...AND BRING ALONG ALL YOUR TOYS. UTILIZE AVAILABLE FEATURES SUCH AS:

- Tow/haul mode with trailer wiring provisions
- Trailer brake controller
- Trailer sway control

WHAT'S NEXT?

Check out the latest Transit RVs available on the market today in the following pages, and be on the lookout for new innovations and upfitters coming to market at your local RV dealer. For more information, make sure to visit the upfitter websites or TransitUpfits.com. See you on the road soon!

¹ Available feature. ² Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ³ Requires phone with active data service and compatible software. SYNC 3 does not control 3rd party products while in use. 3rd parties are solely responsible for their respective functionality. ⁴ Requires phone with compatible version of Android Auto and active data service. SYNC 3 does not control Android Auto while in use. Google and other third parties are responsible for their respective functionality. Message and data rates may apply.
